and this publication was attributed to a US Government official. Subsequently, the US Government disassociated itself from these comments and a letter to this effect was published by the US Embassy in the Hindustan Times of 27 Feb. 80. The Government considers the LCA Project to be a very important programme for equipping the Indian Air Force with state-of-the-art combat aircraft in the mid 90s and all efforts are being made to complete the programme in time and in the most cost effective manner.
